

Floor Cleaner Soap

3

Description:

Highly concentrated floor cleaner for daily use. Suitable on most water-resistant floors. Gives a fresh and shiny result.

Application:

Floor Cleaner Soap is particularly suitable for hand baked tiles, ceramic, marble, slate and unsealed linoleum. Because of the formed soap film, the floor will have a natural shine which increases by rubbing.

Usage and dosage:

Dose by way of Ecodos dispenser.

Manual:

Dose, with normal pollution, 1 cap (10 ml) of product per 5 litres of cold water. If necessary regularly change the water.

Technical features:

Colour:	Green
Scent:	Fresh; Pine
pH-value concentrate:	9.5
Composition:	Based on raw material from renewable origin. The product is biodegradable according the European Detergent Regulation (EC 648/2004).

Packaging:

Bag 1.8 litre: 3 pieces in a box

Safety and storage:

For more information regarding storage, transportation and safety we refer you to the Safety Data Sheet.
